PERMISSION TO PUBLISH

TITLE OF PAPER:

_____

REFERENCE NUMBER: _____

AUTHORS: _____

_____

_____

The undersigned (herein Author), desiring that the above paper appear in a publication of Morgan Kaufmann Publishers, Inc., (The Publisher), hereby grants non-exclusive permission to the Publisher to prepare and print the paper in a volume tentatively entitled *Machine Learning: Proceedings of the Sixteenth International Conference*, and to republish the material in other publications in print, electronic, and any other form for sale throughout the world in all languages.

The author retains copyright, right to transfer the copyright to other parties in the future, right to use any and all portions of the work in future publications by the Author, all proprietary rights (patent rights, etc.), and all other rights.

The Author warrants that he/she is the author and/or proprietor of this contribution, and has full power to make this agreement, that it does not infringe upon any copyright, trademark or patent, and that he/she has not granted or assigned any rights in the work to any other person or entity that would interfere with this grant of permission.

If the Author has previously granted or assigned copyright in this work to another person or entity, the Author must receive explicit permission from the copyright holder for publication of the paper in the above volume, by Morgan Kaufmann Publishers, Inc. and said permission is attached to this document.
